You do not have to share the above personal data with us, but if you choose not to then we cannot offer you a treatment with Midas Niobe.

WHY WE NEED THIS INFORMATION, HOW WE USE IT AND HOW LONG WE KEEP IT FOR

Personal information

We need your name and contact details to register you as a client and for us to send you confirmation and reminders of your appointments. We also use these details to send you paperwork related to your chosen treatments (e.g. a consultation form and aftercare advice).

Your age and certain health information is needed to ensure that it is safe for us to provide the treatments you have booked.

We record information about all treatments carried out so that we can provide you with an efficient service, monitor customer trends and to fulfil the requirements of our insurers.

In order to comply with the terms of our insurance provider, the above information is stored by us for 7 years after the date of your treatment.

Payment information

We use iZettle for payment services.

When paying for your treatment by credit or debit card, this is processed by iZettle. We keep paper receipts for accounting purposes, which are stored securely and

cross-shredded after the relevant accounting period. Learn more about izettle and their privacy policy at <https://www.izettle.com/gb/privacy-policy>.
